

Thank you for your chilewich® purchase.

PLEASE FOLLOW THESE CARE INSTRUCTIONS TO KEEP YOUR CHILEWICH TABLETOP ACCESSORIES CLEAN AND MAINTAIN THEIR ORIGINAL APPEARANCE.

NAPKINS

Machine wash warm (40°C or 100°F). Non-chlorine bleach only.

Dry flat. Do not tumble dry.

Warm iron (110°C or 230°F). For best results, ironing should be done on slightly damp napkins.

NAPKIN RINGS

To clean, simply wipe with soap, water and a soft sponge/cloth.

Standard antibacterial cleanser can also be used.

Wipe stainless steel with a dry cloth and allow textile insert to air dry.

Permanent stains may result when certain food (e.g. tomato, turmeric, mustard) or liquids are left on the textile of the stainless steel napkin rings for long periods before cleaning. This is more likely to occur with lighter-color textiles.

DO NOT SOAK FOR PROLONGED PERIODS IN HOT WATER (NOT MORE THAN 160°F/70°C) OR USE HARSH CHEMICALS. DO NOT RUN THROUGH THE DISHWASHER. SUCH PRACTICES MAY DETERIORATE THE APPEARANCE OF THE NAPKIN RING.

MANHATTAN TRAYS

Wipe clean with a damp cloth.

Avoid abrasive cleaning products and prolonged exposure to water.

COASTERS

DAHLIA COASTERS IN BLACK:

To clean simply wipe with soap, water and a soft sponge or cloth.

Standard antibacterial cleanser can also be used. Rinse with clean water and air dry.

Scrub stubborn stains with a soft bristle-brush and a bleach-based cleanser.

This will remove the stain without altering the fabric. Rinse with clean water and air dry.

Machine washing or dishwasher use is not recommended.

DAHLIA COASTERS IN BRASS, GOLD, GUNMETAL AND SILVER:

Top layer metallic foil may be damaged if treated with rough sponges/brushes, harsh soaps or chemicals. Clean using warm water, mild soap and a clean, soft sponge. Rinse well and air dry.

AVOID CLEANING AGENTS THAT CONTAIN BLEACH, AMMONIA, HOUSEHOLD ALCOHOL OR OTHER HARSH INGREDIENTS.

Machine washing or dishwasher use is not recommended.

TO SANITIZE: WIPE WITH WHITE VINEGAR and a clean soft sponge or clean cloth.
