## Tabletop Accessories

PLEASE FOLLOW THESE CARE INSTRUCTIONS TO KEEP YOUR CHILEWICH TABLETOP ACCESSORIES CLEAN AND MAINTAIN THEIR ORIGINAL APPEARANCE.

**NAPKINS** Machine wash warm (40°C or 100°F). Non-chlorine bleach only.  
Dry flat. Do not tumble dry.  
Warm iron (110°C or 230°F). For best results, ironing should be done on slightly damp napkins.

Due to the nature of this weave, fringe may become partially detached from the edge of the mat and may be trimmed if necessary.

In case of any wrinkling, do not iron your mat. Instead, steam it lightly using a handheld steamer.

**NAPKIN RINGS** To clean, simply wipe with soap, water and a soft sponge/cloth.  
Standard antibacterial cleanser can also be used.  
Wipe stainless steel with a dry cloth and allow textile insert to air dry.  
Permanent stains may result when certain food or liquids are left on the textile of the stainless steel napkin rings for long periods before cleaning. This is more likely to occur with lighter-color textiles.  
**DO NOT SOAK FOR PROLONGED PERIODS IN HOT WATER (NOT MORE THAN 160°F/70°C) OR USE HARSH CHEMICALS. DO NOT RUN THROUGH THE DISHWASHER. SUCH PRACTICES MAY DETERIORATE THE APPEARANCE OF THE NAPKIN RING.**

**COASTERS** To clean simply wipe with soap, water and a soft sponge or cloth.  
Standard antibacterial cleanser can also be used. Rinse with clean water and air dry.  
Scrub stubborn stains with a soft bristle-brush and a bleach-based cleanser.  
This will remove the stain without altering the fabric. Rinse with clean water and air dry.  
Machine washing or dishwasher use is not recommended.

### DAHLIA OR PETAL COASTERS:
