

Design Solutions for Hospitality

2022 Capsule Collection

Spanning hotels, resorts, restaurants, nightlife, and beyond, today's hospitality environments must combine inspiring aesthetics and residential comforts with high-performing materials and enduring finishes. Every element can affect a guest's experience—and promote well-being. Chilewich design solutions are ideally suited to these multi-functional spaces. Our flooring, wall textiles, window coverings, and upholstery fabrics help to create a cohesive and unique environment while providing enhanced durability and easy maintenance.

Selected with the aesthetic priorities and functional demands of hospitality designers in mind, this curated capsule collection features weaves and colorways that have proven especially successful in settings ranging from boutique hotels to global restaurant chains.

An integrated moisture barrier. BioFelt, our composite backing system, provides cushioning underfoot and waterproof protection from spills and stains, making it easier to clean and quicker to dry.

CHALK, Bamboo. Laity Lodge, Leakey, TX.

Distinctive texture. Renowned for bringing depth to surfaces, our innovative weaves allow for the thoughtful incorporation of texture and color into hospitality environments.

CARBON, Basketweave. Crown Metropol Hotel, Melbourne, Australia.

Desirable and durable wall protection. Meeting the highest requirements for abrasion resistance, breaking strength, and tear resistance, our wall textiles provide Type III (heaviest-duty) protection.

BARK, Basketweave. Cooper's Hawk Winery & Restaurant, Kentwood, MI.

Environmentally safe. Tested and certified by the Green Label Plus program, our design solutions help to reduce indoor air pollution and the risk of chemical exposure, contributing to healthier indoor environments.
