

Custom Tray liners

MEASURING INSTRUCTIONS

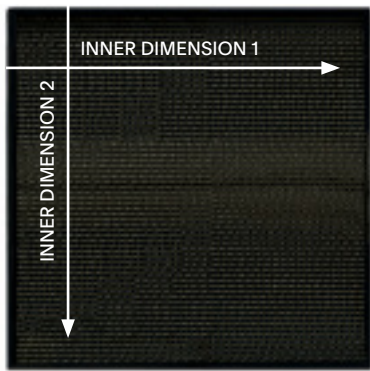

In order to produce your tray liner to your exact specifications, please follow these instructions and measure your tray precisely and accurately. This form only applies to production of simple square/rectangle shapes and perfectly round trays - other dimensions may require more detail and/or an actual tray sample to ensure accurate fitting.

CUSTOM TRAYLINERS ARE SUBJECT TO A (-)3/8" / (-)1CM SIZE TOLERANCE FROM SIZE LISTED BELOW

On your order, please indicate that your custom placemats are for "tray liners" so we can ensure that we test the mats to fit inside the dimensions provided below before shipping.

HOW TO MEASURE YOUR TRAY FOR TRAY LINERS

RECTANGULAR OR SQUARE TRAY

INTERNAL DIMENSIONS: _____ x _____ IN CM

ROUND TRAY

INTERNAL DIAMETER: _____ x _____ IN CM

CUSTOM TRAY LINER CONTRACT

I hereby confirm that I have followed the above measuring instructions and provided Chilewich with the internal dimensions of the tray for which I am ordering tray liners. Should the dimensions provided be incorrect, replacement tray liners will be chargeable to client.
