Seasonal Rugs

Spring/Summer 2022

Chilewich brings depth to surfaces.

Established in 2000 by designer Sandy Chilewich and architect Joe Sultan, Chilewich pioneered the use of extruded yarns for woven table coverings and soon expanded into installed flooring and rugs for commercial use. Today the Chilewich Contract collection includes backed and un-backed textiles for floors, walls, windows, and upholstery. Made entirely in the United States, these products combine innovative weaves and a distinctive color palette with extraordinary durability and easy maintenance.
