Rolls in Ikat, DEEP GREY at Doylestown United Methodist Church, Doylestown, PA.

"I am very impressed with the versatility of Chilewich products, and so are our clients. The maintenance director at one project site with Chilewich flooring told us, 'I wish this had been installed everywhere! It cleans up easily and wears like iron!' And we were satisfied, too, as our design intent from an aesthetic and performance standpoint were fulfilled by Chilewich flooring. I am such a big fan that we currently have it specified to be installed in five other projects."

—Todd Phillippi, Principal Architect, ChurchArchitects
