Chilewich brings depth to surfaces.

Reimagining the potential of extruded yarns, New York designer Sandy Chilewich introduced her woven textiles to the international design community in 2000. The innovative placemats, runners, tray liners, and custom table coverings soon replaced the generic tablecloth that once defined fine dining, transforming how restaurants and hotels around the world set their tables.

Today the design-led company's unique coverings for tabletops, floors, and more continue to push the boundaries of form and function. Designed and made in the United States, the ever-evolving Hospitality collection combines innovative weaves and distinctive colors with extraordinary durability and easy maintenance.

Shag Floor Mats

Made by tufting loops of Chilewich's signature TerraStrand® yarns onto a primary backing and then binding them to a hardworking vinyl foundation that can weather any storm, Shag mats add texture and stability underfoot, indoors or out.
