CACAO, Cane™

The serene hues of the natural world meet rich, inviting textures in this curated selection of design solutions. Designed to complement a range of styles and spaces, these 12 multi-tonal weaves offer the dimension and character of materials such as grasscloth and linen with the proven durability and easy maintenance of all things Chilewich.

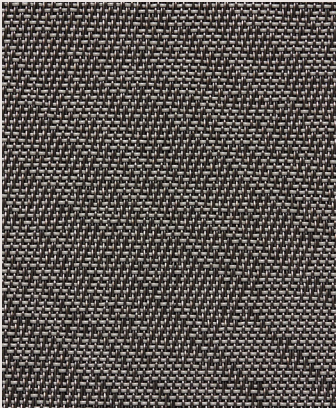

Made in the USA, the Naturals are free of phthalates, made with a minimum of 18% rapidly renewable materials, and feature integrated antimicrobial protection that lasts for the lifetime of the product.
