Rug in Reed, BISQUE at Fifty One East, Doha, Qatar.

"We are long-term fans of Chilewich wall-to-wall carpet, so much so that we've installed it in our own office. For Fifty One East, an 11,000-square-foot boutique in Doha, Qatar, we used Chilewich Reed for most of the flooring. The choice of materials was crucial to creating an elegant and welcoming atmosphere. The project was named 'Best Retail Interior - Arabia' by the International Property Awards."
